

READER 1: A poor hungry man,
His wife, and a mouse,
All lived together
In a round sod house.

(Circle is drawn, as shown).

READER 2: Here is the house.

READER 3: Round as can be.

READER 4: But there's more to this story
Than the

ALL: EYE CAN SEE!

READER 2: The man and the woman
Didn't know the mouse was there.
It lived in the stuffing
Of an old round chair.

(Small circle is drawn, as shown).

READER 1: Here is the chair.

READER 3: Comfy as can be.

READER 4: But there's more to this story
Than the

ALL: EYE CAN SEE!

READER 3: A large pond of water
At the house's side
Was round as a ball,
Deep, cool, and wide.

(Larger circle is drawn, as shown).

READER 4: Here is the pond,

READER 2: Cool as can be

READER 1: But there's more to this story
Than the

ALL: EYE CAN SEE!

READER 4: Near the pond,
Camping tents for two
Gave campers from the city
Something to do.

(Two tent shapes are drawn, as shown).
