CHORUS:

ALL READERS: There are oh so many choices
Of animals, I find
That if I lived in Africa,
I might just change my mind.

I'd be a **warthog**.

READER 6: Rooting in the desert sand
Between each rock and log.

READER 7: Sporting warts and bristles,

READER 8: A physique that's clearly fat,

READER 9: But then again, I might decide

READER 1: To be a **meerkat!**

ALL READERS: **A MEEKAT?**

(EXCEPT #1)
