By Lois Walker

A Readers Theater Script for  
Intermediate Readers

## **Hey, Hey, It's Valentine's Day!**

By Lois Walker

A Readers Theater Script for 8 Solo Readers and an ALL CHORUS.

---

*(Note: You may use up to as many as 20 Solo Readers  
by reassigning the parts below: 4 different readers per verse.  
Everyone joins in on the ALL CHORUS).*

---

### **ESTABLISHING THE RHYTHM**

To find the proper rhythm in the poetry sections, first read-aloud and clap through the sections as you go. Each ***underlined word*** or ***word part*** falls directly on a beat. As you read, clap on each underlined word, keeping the rhythm steady. Be careful not to read too fast! This is a rehearsal technique and readers will not clap throughout these sections during performance.

### **CHORUS**

ALL:                    Valentine, will you be mine?  
                              If so, I'll search no more.  
                              And I will be the Valentine

                          And dust with sugar too.
