Readers Theatre Version

by Lois Walker

Reader parts: 1 Teacher/Narrator (or for higher reading levels, divide narration between student readers), 7 easy-reader parts, and 1 Princess part.

1	READER 1:	ONCE UPON A TIME:
2	NARRATOR:	There was a prince who wanted
3		To wed, but here's the deal:
4		He'd only wed a princess who could
5		Prove that she was real.
6	READER 2:	Prove, prove she was real,
7	READER 3:	Prove that she was real!
8	ALL:	Now tell us please,
9		What's the deal?
10		How can a princess
11		Prove she's real?
12	NARRATOR:	And soon outside the castle gate
13		A princess type was stranded.
14		She shivered in the rain and cold
15		And cried,
16	PRINCESS:	"Where have I landed?
17		Invite me in for I am stranded!
18		Want to know where I have landed!"
19	ALL:	Now tell us please,
20		What's the deal?
21		How can a princess
22		Prove she's real?
